Application Name: Quizletics

Vision Statement: For sports fans, Who want to test their sports knowledge and compete against like minded individuals. Quizletics is a trivia quiz application that gamifies sports knowledge and fosters competition. Unlike Sporcle or Poeltl, our product includes player leaderboards and community tournaments to foster community and encourage engagement.

Version Control: <https://github.com/enma9542/recitation-016-team-02-quizletics>
